

HOWARD & LISA HULL STAY-IN-SCHOOL SCHOLARSHIP
IN MEMORY OF
HOWARD JOHN HULL, SR. & BERNETA E. HULL

ESTABLISHED 1997

SCHOLARSHIP APPLICATION

This scholarship is for a Zionsville Community High School senior, who has attended ZCHS for a minimum of two school years, who plans to pursue an altruistic career by obtaining an initial bachelor's degree. A plaque celebrating previous winners is displayed in the ZCHS Academic Hall of Fame.

The total amount of the scholarship is \$1000.00 paid directly to the college or university and applied toward the recipient's tuition.

Because so many scholarships are for only one year, and because all begin with the freshman year, this scholarship shall be unique; while it is awarded to a senior, it will not be received until the student is enrolled in his second year of college or university. The recipient must show evidence of being a full time student in good standing (B average) at the college or university in his or her sophomore year before the funds will be made available.

The scholarship will be awarded in the student's senior year at ZCHS based on the following criteria:

- a demonstrable work ethic;
- scholarship and other indicators of future success;
- participation in band or orchestra **at any time during the student's high school career**;
- service to the community, school, and church;
- financial need is a consideration, but is not primary.

Any interested senior should answer the following questions on their own computer, at their own length, in their own words. The application shall consist of this cover page attached to their answers and information requested. The application, essay, and letters of reference should be emailed to lisahull@ameritech.net no later than April 5. A hard copy should be placed into a binder and dropped off to the High School Guidance Department.

In order to be considered for this scholarship present the following prior to March 15th of each year:

- the other side of this application as the cover page;
- transcript;
- three letters of recommendation **addressed specifically to Dr. Hull**; two of these should be from any current ZCS teacher grade K-12, School Board member, or administrator, and one from any community leader or clergyman;
- respond to the following: name, address, phone number, and occupation of yourself and your parents, date of birth, date of enrollment at ZCHS, colleges and universities to which you have applied for admission, been accepted at, and have chosen to attend; school and community activities in which you have participated, including any honors and awards as well as offices held; paid work experiences and duties;
- an essay that includes your career and personal goals and any special circumstances that you would like the Scholarship Committee to consider. The final portion of the essay should include your personal definition of altruism and how that definition applies to you and your career.
