“BCL is an awesome way of gaining an intimate understanding and insight of various aspects of systems and organizations that serve the community, as well as a wonderful means of networking with professionals from an array of industries and careers.”

– 2017 BCL graduate

2017 BCL Graduation

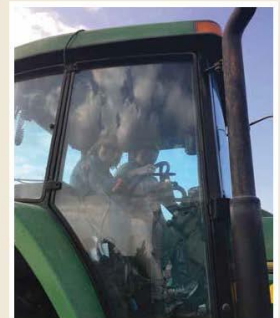

“BCL has empowered me both personally and professionally. Foundations for professional relationships were established, while I gained personal insight into how I could better support my community.”

– 2017 BCL graduate

ORIENTATION
January 18, 2017

“BCL is a great way to gain a broad understanding of our county, its services, its leaders, and its humble servants--all while learning in community with others who care about our county and its future.”

– 2016 BCL graduate

AGRICULTURE DAY
September 20, 2017
