I acknowledge and represent as follows:

- That the grant recommendation or recommendations must receive approval by the Community Foundation of Boone County Board of Directors. I also understand that this is a recommendation only, and not a direction.
- I further certify that the grants listed above will not provide any benefit to the fund advisor, donor, or committee member.
- That, in accordance with IRS regulations, this recommendation will not be made to pay dues for membership of an individual in an organization, to discharge or satisfy a legally enforceable obligation or personal pledge or for any purpose from which the donors, advisors, or related parties to the above-listed fund will receive some benefit.
- Donor Advised Funds (DAF) may not make any grants to individuals, such as scholarships, emergency hardship grants or disaster relief grants. This includes payments directly to an individual or to an entity for the benefit of a specified individual (i.e., to a university for a scholarship for a particular student). If donors wish to grant scholarships, a different type of fund can be established.
- Donors, advisors or any related parties may not receive grants, loans, compensation or similar payments (including expense reimbursements) from a DAF.
